

MINI ELECTRIC LEVEL 1.

KEY FEATURES.

An icon reimagined – the new MINI Electric is the best of both worlds, giving you the iconic character of MINI with all the benefits of going fully electric. The MINI 3-door Hatch is now the first available with a fully electric powertrain. Emitting zero emissions, the new MINI Electric is the perfect combination of sustainable driving, thrilling driving performance and iconic MINI design.

PRICING.

The new MINI Electric Level 1 shown priced at £24,400* on the road (OTR)**

*The price shown includes the HM Government Plug-In Car Grant of up to a maximum of £3,500. The receipt of this grant is subject to the eligibility of the vehicle for the Plug-In Car Grant scheme at the point of the vehicle's first registration in the UK. The grant amount and vehicle eligibility may change from time to time following Government policy or regulation. **OTR price is based on the Recommended Retail Price (including VAT) and On The Road charges (including delivery and emergency service, vehicle first registration fee and VED costs). The price shown on this sheet may differ from the price of the car on display.

TECHNICAL DATA.

PERFORMANCE	
Max. output (hp / kW)	184 / 135
Max. torque (Nm)	270
0–37 mph (secs)	3.9
0–62 mph (secs)	7.3
BATTERY	
Battery type	Lithium-Ion
Gross battery content ¹ (kWh) / Battery capacity ¹ (Ah)	32.6 / 93.2
RANGE AND CONSUMPTION	
Electric Range (miles) ²	144–145
Electric energy consumption – weighted (miles/kWh / kWh/100 km)	4.0–4.1 / 15.4–15.2
CO ₂ emissions (g/km)	0
CHARGING ³	
Home charging (AC)	
With occasional home charging cable with 3-pin plug (kW / hours)	2.1 / 12
With Wallbox (kW / hours) ⁴	7.4 / 3.2
Public charging (AC/DC)	
With AC public charging (kW / hours)	11 / 2.5
With DC rapid charger (kW / minutes)	50 / 36
TRANSMISSION	
	Automatic

STANDARD EQUIPMENT.

- EXTERIOR FEATURES.**
- 17" MINI Electric Corona Spoke alloy wheels†
 - Front grille blade and mirror caps in Energetic Yellow†
 - Front grille with unique MINI Electric design in Vigorous Grey and MINI e-badge
 - LED headlights (front and rear) and LED fog lights
 - MINI e-badge on side scuttle and charging flap
 - Roof in black†
 - Tailgate handle in Vigorous Grey
 - Unique aerodynamically enhanced front and rear bumpers
 - White Silver metallic exterior paint colour†

- INTERIOR DESIGN.**
- Black Chequered interior surfaces
 - Carbon Black Colour Line
 - Cooper S door entry strip
 - Double Stripe cloth upholstery in Carbon Black
 - MINI Electric design highlights in Energetic Yellow (Start/Stop button and gearstick)
 - Newly designed centre console housing the gearstick, parking brake and rotary controller
 - Satellite Grey headlining

- INTERIOR FEATURES.**
- 4 seats
 - Automatic air conditioning, dual zone
 - Floor mats
 - ISOFIX child seat attachments
 - Passenger seat height adjustment
 - Sport leather steering wheel with multi-function controls
 - Sport seats for driver and front passenger

- CHARGING.**
- AC and DC charging
 - AC home (occasional 3-pin plug) and AC public charging (type 2) cables

- FUNCTIONAL EQUIPMENT.**
- 60/40 split folding rear seats
 - Automatic transmission
 - Fully digital display cockpit (5.5" digital instrument cluster integrated into a larger display set behind the steering wheel)
 - MINI Mobility System (MINI MS)
 - Start/Stop button, with keyless start

- SAFETY.**
- Acoustic protection
 - Active Guard
 - Airbags
 - Alarm and immobiliser (Thatcham CAT1)
 - eDrive exterior sound
 - Intelligent emergency calling (E-call)
 - Warning triangle

- TECHNOLOGY.**
- Electric parking brake
 - Heat pump (allows excess heat from motor to be utilised for heating cabin space when required, rather than utilising battery power to maximise efficiency)
 - MINI Driving Modes (centre toggle switch to control driving mode settings: Sport, Mid, Green, Green+; allows adaption to different driving situations and ensures a high driving efficiency and the optimal driving range)
 - Performance Control
 - Pre-conditioning (remotely heat or cool the vehicle prior to departure through the MINI Connected app)
 - Rain sensor and automatic headlight activation
 - Two levels of power regeneration (energy recovery toggle which allows the driver to alter the severity of automatic braking when releasing the throttle by changing the amount of energy being regenerated when coasting)

- ENTERTAINMENT AND COMMUNICATION.**
- DAB digital radio
 - eDrive services (initiate charging, monitor charging status, locate public charging stations)
 - Navigation Pack, including Apple CarPlay, ConnectedDrive Services (including Online Search and Weather Information), intelligent emergency calling (E-call), MINI Connected, MINI Navigation System with 6.5" display, MINI Teleservices, Real Time Traffic Information (RTTI) and Remote Services

MINI ELECTRIC

† Must be ordered explicitly. ¹ High voltage. ² Figures are for comparison purposes and may not reflect real life driving results which depend on a number of factors including the starting charge of the battery, accessories fitted (post registration), variations in weather, driving styles and vehicle load. They were obtained after the battery had been fully charged. The new MINI Electric Level 1 is a battery electric vehicle requiring mains electricity for charging. The electric range was determined according to a new test (WLTP). Only compare electric range figures with other cars tested to the same technical procedure. ³ Charging time corresponds to an 80% charge. Charging times are approximate and may vary depending on various factors such as the type and condition of the charger and the temperature of the battery at the point of use. ⁴ Charging time applies to any 7.4 kW Wallbox. Prices and technical data shown are those in effect at the time of printing and may alter periodically subject to product changes.
